Dear Clerk of Court,

Mr. Santos, Petitioner, is respectfully asking the Court for a 15-day extension due to the mailing process at FCI Elkton. Inmates are not receiving personal or legal mail in a timely manner. Petitioner cannot respond in the amount of time allowed. An extension of an extra 15 days, not alone, the Petitioner needs access to the limited law library usage due to the coronavirus pandemic and educational facilities being closed.

Respectfully,

De'Viti Santos
